PUNA NEWSLETTER

Hawai'i County Police Department

Happy Valentine's Day!

ABOUT OUR NEWSLETTER

This newsletter is written by your Community Policing team (Officers Cardines, Lunsford, Sato and Scanlan). It is intended for public consumption & is our way of sharing information, educating on crime trends, & spotlighting community events within the Puna District. Please pass it along to anyone who may have an interest in this. Also, if you would like to see something added to our newsletter, let us know, & we may incorporate it next time.

Monthly Review

- CRIME TRENDS

NOISY DOG

✓ check list

- Step 1 - Is there a problem?**
 - Is the dog barking continuously for 10 minutes?
 - Or is the dog barking intermittently for 20 minutes within a 30 minute period?
- Step 2 - Make sure the dog is not just reacting to external stimulus such as a person walking by, or another animal that causes the dog to bark?**
- Step 3 - Notified the dog owner by letter, email or in person?**
 - Make sure to document attempts and be prepared to provide proof to officers upon request.
- Step 4 - Call the police using the non-emergency line (808) 935-3311**

Barking is a dog's form of communication, and it's completely normal dog behavior. However, when a dog barks excessively, it becomes an annoyance and can be against the law.

What Constitutes A Noisy Dog?

Hawaii County Code [Section 4-24](#) defines a noisy dog as:
Without provocation:

- A dog barking continuously for 10 minutes or
- A dog barking intermittently for 20 minutes within a 30 minute period.

There are a few permitted exceptions to this including "any legitimate cause which teased or provoked the dog." This means if the dog is barking because of a nearby cat, a person walking by the house, or another stimulus of this nature, the barking is not considered a violation of the law as written.

What should I do to address this issue?

Hawaii County Code [section 4-25](#) requires any person disturbed by a noisy dog to make reasonable attempts to advise the owner or custodian of the dog of the problem.

Reasonable attempts include in person, by letter, or by e-mail.

In our experience, if this step is done with respect, often the owner will address the barking dog issue, and no further steps are necessary.

What if the dog continues to bark?

If the dog continues to bark despite your efforts, call the Hawaii Police Department Non-emergency phone at [\(808\) 935-3311](#), and an officer can meet with you. Be prepared to provide proof of your efforts to contact the owner.

BICYCLE LAWS AND SAFETY RECOMMENDATIONS

Registration

- A bicycle must be registered (\$15.00 fee) by the buyer within 10 days of purchase. If a person sells their bicycle, they should file a Bicycle Notice of Transfer with the Department of Finance - Vehicle Registration and Licensing Division

Lights

- A bicycle must have a white front light, a red rear reflector, and side reflective material, if riding between 30 minutes after sunset and 30 minutes before sunrise. Additional lights are allowed, as long as the front light is white and rear or side lights are red/amber.

Riding on Sidewalks

- A bicycle can be ridden on a sidewalk in non-business districts if the speed is under 10 mph and the cyclist yields to all pedestrians.
- Riding on sidewalks is more dangerous than riding on the road, and increases the chances of a collision with an automobile.

Riding Single File

- Hawai'i law requires cyclists to ride single file on roadways. This doesn't apply to shoulders, bike lanes, multi-use paths, where cyclists can ride two abreast, as long as it is safe.

Riding on Shoulders and in Bike Lanes

- Cyclists should always ride as far to the right as practicable, and on shoulders and in bike lanes. Cyclists can ride on the roadway when passing, changing lanes, riding at same speed as traffic, avoiding hazards or obstacles.

Helmets

- Although helmets are not required for cyclists over 16, they are strongly recommended, since they reduce the risk of head injury during a fall or crash by 85 percent.

Cyclists are required to follow all applicable driving laws and regulations in the State of Hawai'i.

- Always ride single file on all roadways - HRS 291C-145(b)
- Cyclists must follow all traffic rules and regulations - HRS 291C-142
- "Vulnerable User" Definition - HRS 707-700
- Three-foot Passing Law - HRS 291C-145(b)

**"In a traffic accident, whether right or wrong, a cyclist
hardly ever wins."**

-Franz Weber, Bicycling Safety Advocate and Founder of Paying It Forward Hawaii
