Coffee WITH A Cop

What is Coffee with a cop?

Coffee with a Cop brings together police officers and the community members they serve. Through one-on-one conversations, citizens and police officers build trust and mutual goals for the community.

Coffee with a cop gives people a chance to meet and engage outside of normal police-community interactions of calls for service, fleeting contacts, or enforcement activities. Sharing conversation over a hot cup of Coffee is a chance to establish personal relationships that we can carry into the future.
