# PUNA NEWSLETTER

*Hawai'i County Police Department*

**HAPPY NEW YEAR!**

## **E MĀLAMA I KE KANAKA NUI A ME KE KANAKA IKI**

*Take care of the big person and the little person.*

This guiding principle comes from Kanawai Māmalahoe, the Law of the Splintered Paddle, proclaimed by Kamehameha I to ensure that the aged, women, and children could travel safely without fear of harm. It reflects a long-held value in Hawai'i: that care, protection, and accountability extend to everyone, regardless of age, strength, or position.

As we begin the new year, January is a time to reset habits and recommit to shared responsibility. Whether on our roadways, in our neighborhoods, or during moments that call for preparedness, our daily choices matter. When we remain mindful of how our actions affect others, we help ensure that Puna remains a place where all can move, live, and gather safely.

## NEIGHBORHOOD NUGGETS

Recent burglary activity across Hawai'i Island serves as a reminder that prevention starts at home. Small, consistent steps can significantly reduce opportunity and help keep our communities safe.

### *Home Safety Tip*

Lock doors and windows every time you leave—even for short errands. Avoid hiding spare keys outside, as these are commonly discovered during break-ins. Keep exterior lighting on at night and ensure entry points are visible from the street.

### *Vehicle Safety Tip*

Always lock vehicles and remove valuables, even when parked at home. Do not leave keys, wallets, tools, or electronics inside. Thieves frequently check unlocked vehicles in residential areas and driveways.

### *Neighborhood Safety Tip*

Get to know your neighbors and their vehicles. Establish simple communication—a text thread or group chat—to quickly share concerns or suspicious activity.

### *If You Suspect a Break-In*

If you return home and believe someone has entered your home—or may still be inside—do not enter. Leave the area immediately and call police.

- Go to a safe location nearby (a neighbor's home or your vehicle).
- Call police and provide your address and what you observed.
- Do not touch anything or confront anyone.
- Wait for officers to arrive before re-entering your home.

## 2026 HAWAI'I SAFE ROADS CHALLENGE

*Promoting Safety for Everyone on Our Roadways*

2025 has been Hawai'i's *deadliest* year on the roads since 2007, with 129 traffic fatalities statewide, including:

- 38 pedestrians
- 39 motorcycle/motor scooter riders (31 motorcyclists, 8 motor scooter operators)
- 40 motor vehicle occupants
- 7 bicyclists (3 e-bike)
- 5 other non-occupant fatalities

The Hawai'i Department of Transportation has launched the **2026 Hawai'i Safe Roads Challenge**, a free and voluntary program designed to help drivers become more aware of their driving habits and reduce risky behaviors behind the wheel.

### Why Participate?

- Speeding is a factor in nearly  $\frac{1}{3}$  of traffic fatalities statewide
- Small changes in driving behavior can significantly reduce crash risk
- Safer driving protects drivers, passengers, pedestrians, cyclists, and first responders
- Participation is easy, free, and open to drivers across Hawai'i

### How The Challenge Works

- Scan the QR code below + download the "Safe Roads" app
- Drive as usual (app runs in the background)
- Practice safer driving + earn chances to *win* rewards and prizes

### What You'll See

- Real-time tracking of key driving behaviors
- Personalized feedback and safety insights
- Incentives for positive driving choices

# SLOW DOWN &

# MOVE OVER

Attention Hawaii drivers! Did you know that there's a law in place, Hawaii Revised Statutes 291C-27, to help protect our emergency responders? It's called the **move over law**, & it's important to understand what it requires of you.

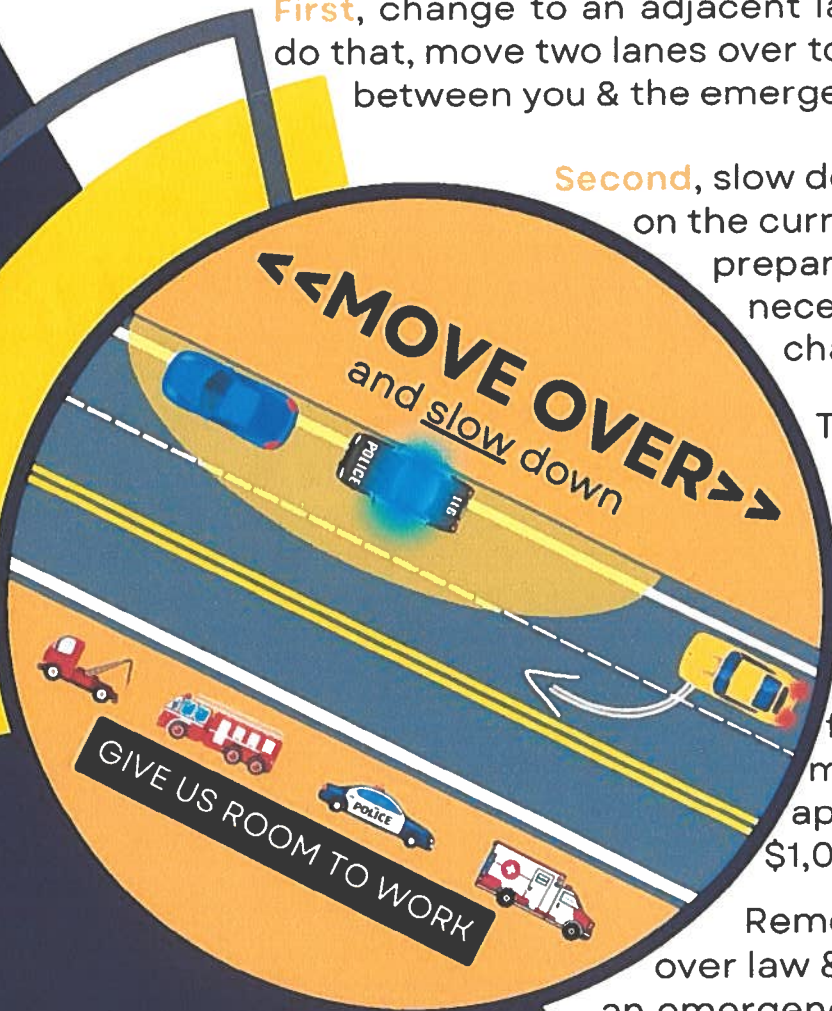

When you see a stationary emergency vehicle with its lights on, such as a police vehicle, ambulance or fire truck you must take action. Here's what you need to do:

**First**, change to an adjacent lane if possible. If you can't do that, move two lanes over to create an empty lane between you & the emergency vehicle.

**Second**, slow down to a safe speed based on the current road conditions. Be prepared to come to a full stop if necessary to make a safe lane change.

This law applies to a variety of emergency vehicles, including police & fire department vehicles, tow trucks, & more. If you don't comply with the move over law, you could face a traffic citation, mandatory court appearance, & a fine of up to \$1,000.

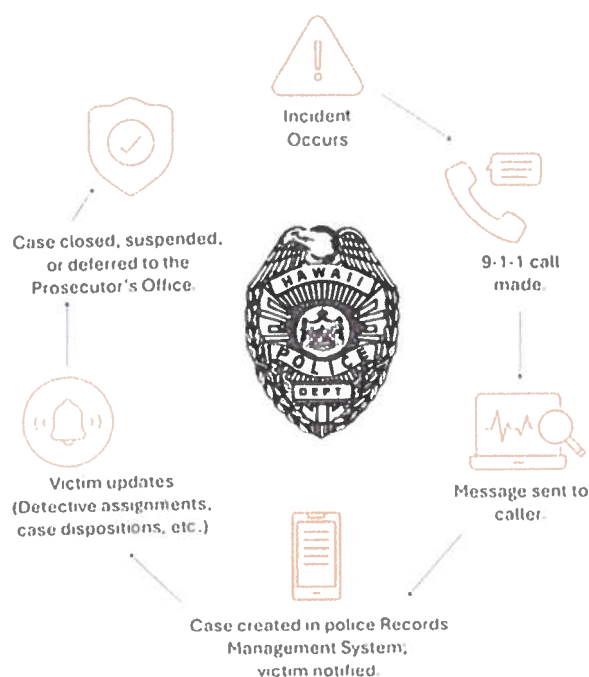

Remember, violating the move over law & causing injury or death to an emergency responder may result in an arrest and additional charges. Let's all do our part to keep our emergency responders safe by following Hawaii's move over law.

## COMMUNITY PROGRAMS

*Improving Communication, Access, and Public Safety*

## VERSATERM COMMUNITYCONNECT

The Hawai'i Police Department is expanding community engagement and transparency through **Versaterm CommunityConnect**, an automated system that provides timely updates about police calls and cases via text message or email.

### What to expect:

- *Text confirmation* for certain service calls made from a cell phone, acknowledging your request for service
- Updates if an officer is delayed, helping reduce uncertainty and follow-up calls
- *Case status* and *arrest notifications* when key updates occur
- *Victim portal access* to view case information and enroll in notifications at [engage.hawaiipolice.gov](https://engage.hawaiipolice.gov)
- Messages available in English, Spanish, and Tagalog to better serve our diverse community
